Attestazione

This document certifies that the file was notarized on the Commercio Blockchain: the SHA-256 hash of the document was registered in a MsgShareDocument message, proving that the document existed in its current form at the time of notarization and that it has not been altered since. Verification: <https://mainnet.commercio.network/transactions/sharedoc/D50F4BF1B9F9260DA4BC73B274736AFE3000251B6950AC63E2FACEE20B67CA95/uuid/31797cb3-056b-499a-937a-7a30c4875cb4>. Transaction: <https://mainnet.commercio.network/transactions/detail/D50F4BF1B9F9260DA4BC73B274736AFE3000251B6950AC63E2FACEE20B67CA95>.

Process status: success
